Lying in bed with the radio on
Moonlight falls like rain
Soft summer nights thinking of you
When will I see you again

Soft and low the music means
I can't stop thinking 'bout you, thinkin' 'bout you

I didn't know it would be so strong
Waiting and wondering about you
I didn't know it would last so long
Nights are forever without you
Nights are forever without you

The curtains still dance with the radio on
The sun'll be coming up soon
But I just can't sleep for thinking of you
Here alone with the moon
(repeat chorus)
