I met you on a springtime day,
You were minding your life and I was minding mine too.
Lady, when you looked my way,
I had a strange sensation and Darling, that's when I
knew...

That it's sad to belong to someone else,
When the right one comes along.
Yes, it's sad to belong to someone else,
When the right one comes along.

Oh, I wake up in the night,
And I reach beside me hoping you would be there.
But instead I find someone,
Who believed in me when I said I'd always care...

Oh, it's sad to belong to someone else,
When the right one comes along.
Yes, it's sad to belong to someone else,
When the right one comes along.

So I'll live my life in a dream world,
For the rest of my days.
Just you and me walking hand in hand,
In a wishful memory...
Oh, I guess it's all that it will ever be...

I wish I had a time machine, I could,
Make myself go back until the day I was born.
Then I would live my life again,
And rearrange it so that I'd be yours from now on.

Oh, it's sad to belong to someone else,
When the right one comes along.
Yes, it's sad to belong to someone else,
When the right one comes along.

Oh, it's sad to belong to someone else,
When the right one comes along.
Yes, it's sad to belong to someone else,
When the right one comes along.

Oh, it's sad to belong to someone else,
When the right one comes along.
Yes, it's sad to belong to someone else,
When the right one comes along.

Oh, it's sad to belong to someone else,
When the right one comes along.
Yes, it's sad to belong to someone else,
When the right one comes along.
