Mercy sakes look at her walk

She really makes them blue jeans talk

I can't take my eyes off of her

She's sure put together right

I wish I may, I wish I might

Get her to play in my back yard tonight yes sir

If I had a swing like that

Anytime day or night

You know where I'd be at

Sashaying swaying back and forth

Man I'd never leave the porch

If I had a swing like that

Goodness gracious land o'goshen

Every move's a major motion

Rolls me over like an ocean wave

Man there oughta be a law

Beats anything I ever saw

I sure love to watch her walk away

If I had a swing like that

Anytime day or night

You know where I'd be at

Sashaying swaying back and forth

Man I'd never leave the porch

If I had a swing like that
