BACK HOME - 16/05/1970

3 weeks at #1 - 16 weeks on chart

Back home, they'll be thinking about us
When we are far away
Back home, they'll be really behind us
In every game we play
They'll share every goal we are scoring
Out there
We will still hear them roaring
And we'll give all we've got to give
For the folks back home

Back home, they'll be watching and waiting
And cheering every move
Back home, though they think we're the greatest
That's what we've got to prove
Once more we will meet with the best
Like before we'll be put to the test
Oh we will give all we've got to give
For the folks back home

They'll see as they're watching and praying
That we put our hearts in our playing
We'll fight until the whistle goes
For the folks back home
