WORLD IN MOTION vs NEW ORDER - 09/06/1990
2 weeks at #1 - 12 weeks on chart

Some of the crowd are on the pitch
Some of the crowd are on the pitch
They think it's all over, it is now

Express yourself
Create the space
You know you can win
Don't give up the chase

Beat the man
Take him on
You never give up
Its one on one

Express yourself
Its one on one
Express yourself
Its one on one
Express yourself
You can't be wrong
When somethings good
Its never gone

Loves got the world in motion
And I know what we can do
Loves got the world in motion
And I can't believe its true

Now is the time
Let everyone see
You never give up
Thats how it should be
Don't get caught
Make your own play
Express yourself
Don't give it away

Express yourself

Its one on one
Express yourself
Its one on one
Express yourself
You can't be wrong
When somethings good
Its never gone

Loves got the world in motion
And I know what we can do
Loves got the world in motion
And I can't believe its true

Loves got the world in motion
And I know what we can do
Loves got the world in motion
And I can't believe its true

You've got to hold and give
But do it at the right time
You can be slow or fast
But you must get to the line
They'll always hit you and hurt you
Defend and attack
Theres only one way to beat them
Get round the back
Catch me if you can
Cos' I'm the England man
And what you're looking at
Is the master plan
We ain't no hooligans
This ain't a football song
Three lions on my chest
I know we can't go wrong

We're playing for England {In-ger-land}
We're playing the song

We're singing for England {In-ger-land}
Arrivederci its one on one

We're playing for England {In-ger-land}
We're playing the song
We're singing for England {In-ger-land}
Arrivederci its one on one
We're playing for England {In-ger-land}
We're playing the song
We're singing for England {In-ger-land}
Arrivederci its one on one
We're playing for England {In-ger-land}
We're playing the song

We're singing for England {In-ger-land}
Arrivederci its one on one
