[Verse 1]

Baby tell me is it cool to touch me before we room it up  
Do you need the strawberry booms to fuck  
cut up the tunes and bump  
What up my name is Yukmouth  
But that don't mean I eat the pussy hole and butt out  
or you could get the fuck out my vehic  
Cause, eating your pussy I can't see it  
A million other bitches I could be wit  
believe it, see it aint allowed in the Lexo

I'll drop your ass half a block away from the ghetto  
with the club via Freak Nasty  
Debbie doesn't but drinking niggas bubble up Freak  
Nasty

global conversation on the mo mo, dig this

If you would like to blow the endo  
lets go Holiday Inn in the ego  
open the no smoke out the window  
roll back to back when I'm in on my business

Is it cool to fuck?  
(bitch, whatcha wanna do)  
If not just suck  
(dick sold for a nickel)

[Verse 2]

Billy, put your seatbelt on  
I aint got no bills  
plus once up the ass and the streets full of Tash  
(I just shake my ass) that ain't gonna work  
But it will for me, let's see, pull up your skirt  
Let me feel the monkey, it kinda smells  
You fine but you gotta take a shower at the 'tel

that  
Don't, that's a no, give it back  
Damn, you ever met a bitch that need a muzzle  
I got some gin in the back you can guzzle  
By the way what's your motherfuckin name?  
(You forgot already?) Shit, I just cross reference with  
game  
Change your train of thought  
I was taught to speak now and ask questions later  
Cause bitches quick to catch the vapors

Is it cool to fuck?  
(bitch, whatcha wanna do)  
If not just suck  
(dick sold for a nickel)

Tell me whats up  
Is it cool to fuck?  
Tell me whats up  
Is it cool to fuck?

[Verse 3]  
Baby tell me is it cool to fuck  
but you already knowin

(bitch, whatcha wanna do)  
If not just suck  
(dick sold for a nickel)
