Who hath more cawse for to complayne

I can not optayne that ys my none [5]
wych cawsyth me styll to make great mone
To se thus ryght with wrong ones throwne
as not vnknowne

It ys not vnknowen how wrongfully
The wyll me hyr for to deny [10]
whom I wyll loue most hartely
vntyll I dye

vntyll I dye I wyll not lett
To seke her owt in cold and het
wych both my hart as fermly set [15]
as tonge or penne can yt repet
