In beautiful houses  
With beautiful gardens  
And beautiful friends inside  
And I stand all alone  
That rain falling down  
I stare at your window and I cry  
I love you so much  
I love you too much  
I love you so much so much  
Will you be mine

In beautiful houses  
With beautiful gardens  
Where beautiful dreams have died  
And you stand all alone  
With your friends all around  
And you stare at your window and you cry  
I love you so much  
I love you too much  
I love you so much so much  
Will you be mine

And I'm sorry for the things I said  
Sorry for the things I did  
Sorry for the way I said goodbye

I'm sorry for the things I said  
Sorry for the things I did  
Sorry that I ever made you cry-y-y

Well in beautiful houses  
With beautiful gardens  
And beautiful friends inside  
And I stand all alone  
With my world falling down  
And I stare at your window and I cry  
I love you so much  
I love you too much  
I love you so much so much  
Will you be mine  
I love you so much so much

Will you be mine

Oh darling
