I believe the stars keep shining all throught the night.  
I believe if we just keep trying it will be alright.  
I believe that someday we're gonna find our way.  
And I believe in a beautiful day.  
I believe in lovers walking side by side.  
I believe that someday we'll be satisfied.  
I believe the angels listen god hears us pray.  
And I believe in a beautiful day.  
Yeah I believe it's gonna work out ok.  
But not for me, and not for you.  
I believe, I believe, I believe.  
I believe, I believe, I believe.  
( Guitar Solo )  
I believe there's an answer waiting when the day is  
done.  
I believe if you just keep searching you'll find someone.  
I believe that you and I just lost our way.  
And I believe in a beautiful day.  
I still believe in a beautiful day.  
But not for me, and not for you.  
I know your tried, and I tried to.  
Sometime all our dreams just don't come true.  
I believe, I believe, I believe.  
I believe, I believe, I believe.  
Oh...Oh...Beautiful day
