All the good hearts have been taken  
No more hearts around here were breaking  
All the good girls know I'm lying  
What's the point to keep on trying

(Move along)  
Such is love  
(Move along)  
Such is love  
(Move along)  
Such is my love for you

All the bad girls know my story  
Justified for love and glory  
All the good girls see me coming  
What's the point to keep on running  
(Move along)  
Such is love  
(Move along)  
Such is love  
(Move along)  
Such is my love for you

All the lies I told to you  
Some of them came true  
Sometimes I'm a fool  
All the things I said we'd plan  
Darling understand  
Those lies hurt me too  
So I'll go

All the good hearts have been taken  
No more hearts around here were breaking  
Hard to face the truth about me  
You'll be better off without me  
(Move along)  
Such is love  
(Move along)  
Such is love  
(Move along)  
Such is my love for you

(Move along)  
(Move along)  
Such is my love for you  
(Move along)  
(Move along)  
Such is my love for you
