"The End of Everything"

Visit "[The End of Everything](#)" on MotoLyrics.com

This is the end of everything, this is the end I know.
This is the end of everything, take your love with you
when you go.
This is the end of happiness, this is the end dreams.
This is the end of everything, it's the end for you and
me.
I don't know, what to do.
In my heart I still love you.
(Guitar Solo)
I don't know, what to say.
I will always feel this way.
This is the end of everything, this is the end I know.
This is the end of everything, take your love with you
when you go.
Oh...
