Think of all the things we've done and now,
you've decided I'm not the one.
A love like ours just can't go wrong,
run away baby have your fun but.
I, I, I, I, don't wanna hurt you I don't wanna see you cry.
I, I, I, I, just wanna hold you love tonight.
You owe me some kind of love.
I don't wanna see you sad I don't want you,
feeling down I only want you to say you love me and
you need me,
the way I love ya please believe me.
I, I, I, I, don't wanna hurt you I don't wanna see you cry.
I, I, I, I, just wanna hold you love tonight.
You owe me some kind of love.
You owe me some kind of love.
