Verse 1:

See I was raised,
In a good home with morals and all.
Got my degree.
Made momma proud and worked real hard.
Bet she never thought I'd end up w/ a guy like you.
Thugged out, hood grill ,hustles w/ a caddy,
big dreams, dirty south nothin like my daddy.

and I can't stop(Uh oh)
He's like a force of nature
nature
excuse me but I love his dirty drawers
and -----I'm in love with a thug
and proud of it
He's like a force of nature
and nothing you can say can keep me from him. (Him)
