Before you came I thought every man was the same
Thinkin' to myself that it's a dog gone shame
Then when we first met I didn't quite know what to
expect
But we've been together ever since and I have no
regrets

You mean so much to me
I'm so happy to be your woman
Love is so had to find
Which is why I'm thankful that I'm your woman

You and me somehow connected spiritually
Connected mentally, connected physically
And so I believe all the obstacles that we've
Encountered along the way makes us strong today

You mean so much to me
I'm so happy to be your woman
Love is so had to find
Which is why I'm thankful that I'm your woman

Many days I feared I would end up all alone
Never finding a love I can call my own
But then you came along and swept me off of my feet
And for the first time in my life I feel complete

You mean so much to me
I'm so happy to be your woman
Love is so had to find
Which is why I'm thankful that I'm your woman

You mean so much to me
I'm so happy to be your woman
Love is so had to find
Which is why I'm thankful that I'm your woman

You mean so much to me
I'm so happy to be your woman
Love is so had to find
Which is why I'm thankful that I'm your woman
