"Too Good for You"

Ever since I saw you,
I wanted you to be mine
I turned my back on others,
For the longest time
Oh, I know it's wrong to long for you this way
Waiting for you,
I'm blowing my chances of love away
'Coz?
Refrain:
I'm wishin' too hard,
Wishin' too hard
That you give your heart to me
Wishin' too hard
That you feel the same for me
Oh, I'm wishin' too hard,
Wishin' too hard
That I'm falling apart
Oh, how I wish
That I am now wishin',
Wishin' too hard?
Used to feel like heaven,
To spend the day with you
For even with all my heart,
You've learned to love me too
Now it hurts to even look into your eyes
For now I know,
And now I realized?.
That?.
Repeat Refrain
Wishin' too hard 3x ...
Repeat Refrain
That I'm falling apart
Oh, how I wish
That I am now wishin',
Wishin' too hard?
