I rode my bicycle past your window last night  
I rollerskated to your door at daylight  
It almost seems like you're avoiding me  
I'm okay alone  
But you've got something I need

Well  
I've got a brand new pair of rollerskates  
You've got a brand new key  
I think that we should get together and  
Try them out to see  
I've been looking around the world  
You've got something for me  
Well, I've got a brand new pair of rollerskates  
You've got a brand new key

I ride my bike  
I rollerskate, don't drive no car  
Don't go too fast  
But I go pretty far  
For somebody who don't drive, I've been all around the  
world  
Some people say I've done alright for a girl

Well  
I've got a brand new pair of rollerskates  
You've got a brand new key  
I think that we should get together and  
Try them out to see  
I've been looking around the world  
You've got something for me  
Oh, I've got a brand new pair of rollerskates  
You've got a brand new key

Oh yeah yeah  
Oh yeah yeah  
Yeah yeah  
Oh yeah

I asked your mother if you were at home  
She said yes

But you weren't alone  
Oh sometimes I think  
That you're avoiding me  
I'm okay alone  
But you've got something I need

Well  
I've got a brand new pair of rollerskates  
You've got a brand new key  
I think that we should get together and  
Try them out to see  
La la la la la la la la  
Oh, I've got a brand new pair of rollerskates  
You've got a brand new key
