My best friend's hot
My best friend's hot
No matter what I do
He won't love me

Why don't you come closer please
Yeah you don't know
I brush my hand across your knee
Just take it slow
You know I'm not gonna tell you all the things I might
Like

Would you apologize to me, to me, to me
For being such a tease, a tease, a tease
You know I'm not gonna tell you all the things I might
Like

My best friend's hot
My best friend's hot
No matter what I do
You'll love me not
Wohoh x2
Nanananana not
You'll love me not

I'm gonna tell you that you're mean
Cause you don't show
You interrupt another dream
So out you go
Because I'm not gonna tell you all the things I might
Like

My best friend's hot
My best friend's hot
No matter what I do
He won't love me

Why don't you come closer please

My best friend's hot

Nanananana not
You'll love me
Nanana nanana nanana nanana X2

Should I tell you now
or go

Go x 8

Have my hand
Put on a show
Still don't think you understand
But I've got to know
You know I'm not gonna tell you all the things I might

Should I tell you now
That I'm in love with you
