Cannot Touch, Cannot Hold
Cannot Be Together
Cannot Love, Cannot Kiss
Cannot Have Eachother
Must Be Strong
And We Must Let Go
Cannot Say What our Hearts Must Know

{Chorus}
How can I not love you
What do I tell my heart
When do I not want you.. here In My Arms
How Does One Walks away from all of the memories
How Do I Not Miss You When You Are Gone

Cannot Dream
Cannot share sweet and tender moments
Cannot feel how we feel
Must pretend its over
Must be brave
And we must go on
Must not say what we no longer long

{Chorus}
How can I not love you
What do I tell my heart
When do I not want ou Here In My Arms
How does one walks away from all of the memories
How do I not miss you When You Are Gone
How can I not love you..

Must Be Brave
And we must be strong
Cannot say what we've no longer long..

{Chorus}
How can I not love you
What do I tell my heart
When do I not want you here In my arms
How does one walks away from all of the memories
How do I not miss you when you are gone

How can I not love you... when you are gone
