Hook :

I don't want you - I don't need you  
No, you're not what I am really into  
It's not about you - I don't need to  
Have my life revolve around you  
I don't want you - I don't need you  
No, you're not what I am really into  
It's not about you - I don't need to  
Have my life revolve around you

Verse 1 :

All the games, I don't need  
That's why I have to, do what is the best for me  
I believe, that if I want to  
I can do anything  
So you see, don't you press me  
For my number, for my game  
You should be into better things  
Not just trying to get with me

Hook

Verse 2 :

It's a shame that you think  
Without you, the world wouldn't see another day  
And you think that I have to  
Do everything you say  
Understand, I don't need  
A man trying to control things  
What I need is somebody  
To help me achieve things

B - section :

What makes you think - that would have  
Someone like you  
When everything - has to be all about you  
When will you see - that there's on chane  
For us two  
I cannot be - be play with your fool no

Hook

Bridge :

Can you explain - why you play silly gamed

i need to know

How your feelings changed - but I told you - I don't

need you

My heart's not longer here with you
