Verse 1 :

You're on my mind  
Hand another sleepless night  
And all I think about  
Is that I want you here and now  
All I wanna say  
Is that I want you in my life  
I need you to hold me  
Make me feel so right

B - section :

There's no other words [ oh yeah ]  
You're everything I'm looking for and more [ so tell me  
why ]  
Why are you so shy  
You're walking right by  
I get this feeling inside

Hook :

Baby I want you  
But I don't know what to say  
I see you everyday when you come around my way  
I want you to know that I'm in love with you  
So baby come on, come on  
Tell me how you feel

Verse 2 :

My freinds say that I'm wasting my time  
But I don't listen to them  
Cause i know you're gonna be mine  
They don't understand the feeling inside  
All I want from you is that you give me a sign

B - Section :

Tell me how you feel [ tell me how you feel ]  
I see it in your eyes when you're walking right by  
You feel me [ I feel you too ]  
Why are you so shy when you're walking right by  
I get this feeling inside

Hook

Bridge :

I know it's you that holds the key into my heart  
And I don't know what I would do  
If I can't have your love  
How you feel

Hook
