(Tori Amos)

Hmm, yeah ah.

Never was a cornflake girl, thought that was a good solution.

Hanging with the raisin girls, she's gone to the other side

Giving us a yo heave ho, things are getting kind of gross

And I go at sleepy time.

This is not really, this a, this a, this is not really happening.

You bet your life it is, you bet your life it is.

Oh, honey, you bet your life, it's a...

Peel out the watchword, just peel out the watchword.

She knows what's going on, seems we got a cheaper feel now.

All the sweeteaze are gone, gone to the other side
With my encyclopedia, they musta paid her a nice price.

She's putting on her string bean head.

This is not really, this a, this a, this is not really happening.

You bet your life it is, you bet your life it is.

Oh, honey, you bet your life, it's a...

Peel our the watchword, just peel out the watchword.

Never was a cornflake girl, thought that was a good solution.

Rabbit, where'd you put the keys, girl ?

Rabbit, where'd you put the keys, girl ?

Rabbit, where'd you put the keys, girl ?

Rabbit, where'd you put the keys, girl ?

Rabbit, where'd you put the keys, girl ?

Rabbit, where'd you put the keys, girl ?

Rabbit, where'd you put the keys, girl ?
