Give it a chance  
We can love again  
In my crazy world  
I gave you everything you wanted babe  
You said you loved me  
I Said I loved you too  
Even in the craziest times  
When we fault we made love  
I held you closely  
You opened up your heart to me  
Time after time we dealt with it  
This time I know were see it through  
You'll always be the one for me  
Baby girl I'm feeling you  
Time after time we dealt with it  
This time I know were see it through  
You'll always be the one for me  
Baby girl I'm feeling you  
Ooh ooh were moving too fast  
Trying to get through  
Like walking on broken glass  
Just shoo and move  
Is all the things of the past  
Give it a chance  
We can love again  
We can work it out  
We can work it out  
Don't be hasty girl  
'Cause when I'm gone you miss me  
Don't try to push me  
'Cause you are my babyboo  
Tell me what I've done  
To make you feel un easy  
'Cause I'm falling for you  
I raise my hand I'm guilty  
Time after time we dealt with it  
This time I know were see it through  
You'll always be the one for me  
Baby girl I'm feeling you  
Ooh ooh were moving too fast  
Trying to get through  
Like walking on broken glass

Just shoo and move  
Is all the things of the past  
Give it a chance  
We can love again  
We can work it out  
We can work it out  
No matter what you say  
Or what you do  
The time has come  
For us to see this through  
No matter what you say  
Or what you do  
The time has come  
For us to see this through  
Ooh ooh were moving too fast  
Trying to get through  
Like walking on broken glass  
Just shoo and move  
Is all the things of the past  
Give it a chance  
We can love again  
We can work it out  
Ooh ooh were moving too fast  
Trying to get through  
Like walking on broken glass  
Just shoo and move  
Is all the things of the past  
Give it a chance  
We can love again  
We can work it out  
Time after time we dealt with it  
This time I know were see it through  
You'll always be the one for me  
Baby girl I'm feeling you  
Time after time we dealt with it  
This time I know were see it through  
You'll always be the one for me  
Baby girl I'm feeling you  
Give it a chance  
We can love again (love again)
