Too many times, I realise that time is flying by.  
Too many times, I'm thinking about our days together.  
Too many times, You kept me hanging on, but I don't

Cause I've been looking for myself out there.

I want you to know, That I am so proud.  
I want you to change, cause I've always believed in....  
You, You, You and me.  
Dancing in the moonlight now can't you see.

But things will work out then we be'd flying.  
Don't you regret because I will keep trying.  
Try to hold your hands, feels good to be your man,  
Come with me on this plan.  
No time to hesitate...

(Chorus)

This is my way to say, I think you're ok.  
All the guys agree with me!

(Chorus 4x)
