I'm walking down the road 'cause Eddy told me

I don't feel good, come on help me

Mama says I'm so affected

Daddy says Eddy is too weird

Eddy is just like you and me

Sometimes he needs somebody

Mama says he's so attractive

Daddy says Eddy is stupid

Eddy Eddy Eddy Eddy likes me

Eddy Eddy Eddy Eddy needs me

Eddy Eddy Eddy wants to be like me

I am the only girl for Eddy

I'm talking on the phone cause Eddy's crying

His boyfriend's gone and he won't get over it

Mama says he's so attractive

Daddy says he's just stupid

Eddy Eddy Eddy Eddy likes me

Eddy Eddy Eddy Eddy needs me

Eddy Eddy Eddy wants to be like me

I am the only girl for Eddy
