I'd like to see the future
I could make it look better
I think I used to have a dream
I think I used to find the time
To make it all mine
And I know, I know, I know

I could change everything
I could be Mrs. Better
I could ruin everything
And keep it all for later
But I have time to find someone special
I have time, someday I'll have it all

I wish we could just be the same
And never, never shout again
I wish I could make up my mind
And find a place where I'll be fine
And I know, I know, I know

I could change everything
I could be Mrs. Better
I could ruin everything
And keep it all for later
But I have time to find someone special
I have time, someday I'll have it all

Someday I'll have it all
And I'm looking for someone special
Someday I'll have it all
Mrs. Better's calling
Watch her falling
Mrs. Better's calling

I could change everything
I could be Mrs. Better

I could ruin everything
And keep it all for later
But I have time to find someone special
I have time, someday I'll have it all
