She never slows down.  
She doesn't know why but she knows that when she's  
all alone, feels like it's all coming down  
She won't turn around  
The shadows are long and she fears if she cries that  
first tear, the tears will not stop raining down

[CHORUS]

So stand in the rain  
Stand your ground  
Stand up when it's all crashing down  
You stand through the pain  
You won't drown  
And one day, what's lost can be found  
You stand in the rain

She won't make a sound  
Alone in this fight with herself and the fears whispering  
if she stands she'll fall down  
She wants to be found  
The only way out is through everything she's running  
from wants to give up and lie down.

[CHORUS]

So stand in the rain  
Stand your ground  
Stand up when it's all crashing down  
You stand through the pain  
You won't drown  
And one day, what's lost can be found  
You stand in the rain

So stand in the rain  
Stand your ground  
Stand up when it's all crashing down  
Stand through the pain  
You won't drown  
And one day, what's lost can be found

[CHORUS]

So stand in the rain

Stand your ground  
Stand up when it's all crashing down  
You stand through the pain  
You won't drown  
And one day, what's lost can be found  
You stand in the rain
