Weâ€™ve been down to the bottom
Stories weâ€™ve got â€™em when we hit rock bottom
If you been there put your hands in the air
To let the lost know that someone cares
Cuz weâ€™ve been down to the bottom
Stories weâ€™ve got â€™em when we hit rock bottom
If you been there put your hands in the air
And let somebody know that the Most High cares

I never knew that is would feel like this
When the two that raised you up and call it quits
Nobody told me â€™bout the emptiness
When the place you call home is closed for business
I push the pain down, I gotta get by
Always knowinâ€™ in my heart that it ainâ€™t gonna
fly
Rock bottomâ€™s never felt so near before
And if pain is Godâ€™s megaphone is loud and clear
So hold me now Father, human love ainâ€™t enough
Iâ€™ve failed and been failed by the people I love
But your faithful arms they surround me
And any other soul who has to sail those seas
Of a broken family

Weâ€™ve been down to the bottom
Stories weâ€™ve got â€™em when we hit rock bottom
If you been there put your hands in the air
To let the lost know that someone cares
Cuz weâ€™ve been down to the bottom
Stories weâ€™ve got â€™em when we hit rock bottom
If you been there put your hands in the air
And let somebody know that the Most High cares

Been so many times that Iâ€™ve been close to rock
bottom
Tryinâ€™ to look for answers but nobodyâ€™s got
â€™em
Like the time my mother looked me in the eye
Tryinâ€™ not to cry, tellinâ€™ me that the cancer
might cause her to die
How can this be, I thought that God loved me?

So why would He try to take my mother from me?
And as I cry myself to sleep at night, holding on my
pillow tight
He spoke to me and said that everything gonna be
alright
So I tried to fight all the pain that it caused
Try to move on and I try to stay strong
So put your hands up, hey, if yâ€™™ all are feelinâ€™™
me
And put your hands up for everyone to see
So put your hands up, we all a family
So put your hands up, in unity, in unity

Weâ€™™ ve been down to the bottom
Stories weâ€™™ ve got â€™™em when we hit rock bottom
If you been there put your hands in the air
To let the lost know that someone cares
Cuz weâ€™™ ve been down to the bottom
Stories weâ€™™ ve got â€™™em when we hit rock bottom
If you been there put your hands in the air
And let somebody know that the Most High cares

Weâ€™™ ve been down to the bottom
Stories weâ€™™ ve got â€™™em
If you been there put your hands in the air
Put your hands in the air

Iâ€™™ ve been there too
When everything falls apart and the best you can do is
Get through each day wonderinâ€™™ will this never
end?
Is it always going to be this way?
And the greatest lie youâ€™™ ve ever been told is
Youâ€™™ re the only one to ever walk on this road
And that youâ€™™ ll never see the light of dawn, so we
came together to say
Hold on
Cuz weâ€™™ ve been there and found our way home
I promise you that youâ€™™ re not on you own
One day this will pass, God will see us all through
God will see us all through, God will see us all pass
through

Weâ€™™ ve been down to the bottom
Stories weâ€™™ ve got â€™™em when we hit rock bottom
If you been there put your hands in the air
And let somebody know that the Most High cares

Weâ€™™ ve been down to the bottom
Stories weâ€™™ ve got â€™™em
If you been there put your hands in the air

Put your hands in the air
