Dear diary  
I saw this guy at the show  
He was singing to me  
At last I think so  
All the world around me stopped when he said  
Hi  
He's the perfect guy  
His hair, his eyes, oh I love his smile  
When he opened the door  
Knew he was worthwhile  
He looked so good standing right next to me  
So beautiful I know our children will be  
This time I know it's true love

[Chorus:]  
He is the one that I've been waiting for  
I promise to love him  
Forevermore  
I've waited my whole life for the day I am his  
I just know he's the  
Wonder what his name is

Dear diary  
Today I found a new guy  
With a movie star face and the perfect lines  
Knight in shining armor  
Hero to rescue me  
He'll be so romantic just like in the movies  
He'll play the role of a boyfriend for me  
Like in "here on earth" with leelee sobieski  
There's just one problem something I might have  
missed  
He's a movie star he doesn't know I exist  
This time I know it's true love

[Chorus]

Dear diary  
I thought my dreams had come true  
Last week I found the one to give my heart to  
Told all my friends about him, even tried his last name

Didn't see that to him it was all just a game  
He seemed so nice, I've known him for a while week  
But my friends didn't like him, didn't know him like me  
No more crushes, no more ruses, learn to be satisfied  
With being single again - wait who's that guy  
You are cute!

[Chorus]
