You're running a case against me
Prosecutor judge and jury
we had this conversation in your head
cause I wasn't there you made up what I said
or what I would of said you know me so well
you heard how I am and how I'm going to heaven
knows
we never had this conversation or should I be calling it
a condemnation
cause you're not listening to me

So na na na na na
that's all I'm gonna say
cause na na na na na
made up your mind any way
na na na na na
there's nothing I can't do
so na na na na na
couldn't we be friends if not for you

I feel like the teacher from Charlie Brown
All you hear is that wawawa sound
Maybe I'm a pokemon Pikachu
cause that what comes out when i'm talkin to you
You're a crusader you make me your fight
Your Superhero name is Mr. Right
Instead of trying to understand
Tell all your friends how wrong I am
You're not listening to me

So na na na na na
That's all I'm gonna say
cause na na na na na
made up your mind anyways
na na na na na
theres nothing I can't do
so na na na na na
couldn't we be friends if not for you

Can't we be friends
Why does it end

before a word is even heard
I look at you your attitude
why cant you see
that its not me

oops I did it again I see
the person im talkin about is me
assuming you're the enemy
the crosshairs of my verbal Uzi
no matter who wins we both lose
no matter who starts we both choose
To keep it going on and on and on
But lets start listening and see

la la la la la
la la la la la
sorry that it got this way
la la la la la
next time i wont retise you
la la la la la
Couldnt we start over me and yoU
