I've got martini's
I'm coming through kids, watch out
It's time for gay fun
You don't know what gay fun is all about
You see there's always more than one
Way to have fun
And if you're really freaking out about it
Relax, it's only gay fun

You have to work for a living
Gay fun
What do you do in-between?
Gay fun
You grab your card and join in on
The gay fun scene

An exhibition
It doesn't matter who wins
Under the rolling rock sign
Shirts versus skins
And if you wake up in the morning
and think: "what have I done?"
I wouldn't use all that much sleep about it
Because it's only gay fun

Sometimes a word has two meanings
Gay fun
I think you know what I mean
Gay fun
It's time for you to be part of
The gay fun scene

Pretending not to see his gun
I said let's go out and have some gay fun

As you were leaving the restaurant
Gay fun
Grab a free magazin
Gay fun
I knew right then you were part of
The gay fun scene
