I don't know what awaits me (x8)

Verse

The rain keeps falling down on me but

I know the sun is coming back

And I can't let nobody hold me

Can't let nobody hold me back

I said to God I need your help

Lord mother, father I need your help

I'm asking God to save me

The Lord said I need to save myself

Save myself and I say

Chorus

I got to get up, I got to be strong, and I got to move forward

I got to be focused and motivated (Hey and I)

I got change to make it better

Got to change to be a better man

I don't know what awaits me (x8)

Verse 2

While walking through my own life journey

Sometimes I get pushed off the track

And I know that destiny deserves me

And you better know I got your back

So I said to God I need your help

Lord mother, father I need your help

I'm asking God to save me

The Lord said I need to save myself

Save myself and I say

I got to get up, I got to be strong, and I got to move forward

I got to be focused and motivated (Hey and I)

I got change to make it better

Got to change to be a better man

I got to; I got to move on yeah

I got to; I got to move on yeah

I got to; I got to move on yeah

I will move on

Bridge

Well it doesn't make sense me sitting here waiting

(Sitting here waiting)
So I got to put my feet back on the ground
(Back on the ground)
And I know if I ask God he'll never help me
(Help, help, help me Lord)
So I got to learn to fend for myself
(For myself)
I got to get up, I got to be strong, and I got to move
forward
I got to be focused and motivated (Hey and I)
I got change to make it better
Got to change to be a better man
I got to; I got to move on yeah
I got to; I got to move on yeah
I got to; I got to move on yeah
I will move on yeah (x3)
