Lenny Kravitz in the pouring rain
Twelve feet tall on a jumbotron
An advertisement for his greatest hits
With his button down and his blue jeans on

Hey Lisbon, please hear my warning
Lenny's here tonight and he's twelve feet tall
He'll be long gone in the morning

The coins you dropped when you were drunk last night
Combined our worth, about a penny
And when you have enough saved up
You'll spend them all on Lenny

Hey Lisbon, please hear my warning
Lenny's here tonight on a jumbotron
But in the morning he will be long gone

And he's here tonight
He's buttoned down
But in the morning he'll be leaving town

No more copies of his greatest hits
They're all sold out, in a single day
Lenny asks a simple question:
"Baby, are you gonna go my way?"

Hey Lisbon, please hear my warning
Lenny's here tonight in the pouring rain
On the jumbotron and he's twelve feet tall
But in the morning he'll forget you all
