you gotta sow  
if you want your plans to grow.  
When you go and go away  
you know that you'll be back someday  
desert sun and mountain ridges  
you're so busy burning bridges oh yeah  
How are you gonna get to the other side  
when you destroyed the path that you and I have built?  
The pinball game we played was ended by your tilt  
you're just another prisoner of pride  
just another prisoner of pride  
Easy come  
easy come and easy go  
there'll be rain  
and you know that there'll be snow  
but you'll find  
people there who'll let you in  
and they'll invite you back again  
- a place where you can't help but win  
if you could throw your pride into the bin oh yeah  
How are you gonna get to the other side€!
