Intro:Eddie-G

Hey what up man?

What up god?

Ya heard?

Chillen, cold as hell

Yes it is, hey Busta didn't come here did he?

No, hey look, you got fifteen cent?

Nah, I got just enough to get on the bus, I'm broke

We gotta go to the store alright man quick cause I'm short

Yeah, we gonna have enough time to go to the store?

Nah, look..

You should just, how much you got there?

I only got 75, I'm sure I got a dollar know what I mean..

Just throw it in there they ain't gonna know

You know what look, I'm sick of taking this damn bus everywhere man

You gotta make some moves or something

I know look, I'm trying to get rich,

I got a baby on the way, I don't even got a car, you know what I'm saying?

I still stay with my moms, 21 and still with my moms

Look hey, we gotta make some hit records or something,

you know what I'm saying? Cause I'm tired of being broke

Verse 1:J-Murda

Cause all I do is yearn a life without a concern

And dream of having a turn to earn money to burn

Mapping out my strategies to get rich huh

My desire is like a scratch that needs to get itched huh

Cause man I live in the D, this shit ain't given for free

Nothing's different to me, so what, it's easy to see

I'll be the prisoner to flee, all of this misery

I'm not wishing to be another fish in the sea

But just an MC, so listen to me, but if you disagree

You missing the key, you ain't even in the brisk of the tea

Unconditionally my aspects to cash checks

My objects were never to swab decks

It's up to you the decision is yours
If what you vision is tours, or a mission less course
When shit is in the stores, cause you can be a star

Chorus:Eddie-G

No matter wherever you are, you're never too far
>From revenue huh, cause you can be king
You can rule the world, you can do anything
It's on you baby, cause you can be a star
No matter wherever you are, you're never too far
>From revenue huh, cause you can be king
You can rule the world, you can do anything
It's on you baby, cause you can be a star
No matter wherever you are, you're never too far
>From revenue huh

You know what I'm saying, see what I'm talking about
man?

Cause that's it

Yeah

A million dollars ain't even that far away man

Yo we got to get the money man, I can't be broke for
the rest of my life

Yeah I hear what your saying,

look there's got to be something better, you know what
I'm saying?

I can't live like this for the rest of my life man,
bumming rides everywhere I go

Yeah, what's up with Lexus' and Land cruisers'?

Verse 2:J-Murda

Yo I'm not about to chance it and dismiss handling
business

I'm canceling Christmas to gamble and risk this

Financial interest is the matter at hand

I got an adequate plan for stab at a grand

I grab what I can and do what I must

Pursue what I lust, it's true that I just choose

The few that I trust, them's the people that I still got

Fuck with gangsta fill pot, get your grill shot

The 5 Elemantz for life my man Thyme

Proof, Kyu and Denaun, we move through into time

My crews true and divine, we never fronted

We just wanted to be funded, and live to be a hundred

Instead of hunted or being wanted as fugitives

It's all about a man planning what his future is

What he can do for his to be a star

Chorus:Eddie-G

No matter wherever you are, you're never too far
>From revenue huh, cause you can be king

You can rule the world, you can do anything
It's on you baby, cause you can be a star
No matter wherever you are, you're never too far
>From revenue huh, cause you can be king
You can rule the world, you can do anything
It's on you baby, cause you can be a star
No matter wherever you are, you're never too far
From revenue huh

J-Murda:That's what I'm talking about, I'm not trying to
be the player,
I'm trying to be the man, I'm want to be President
Yo forgot that President man I'm trying to be king,
making dead presidents, you know what I'm saying?
Yeah
Getting money anytime I want owning my own
businesses and all that,
you know what I'm saying?
Yeah, I'm trying to be a millionare man, hahaha, but
don't all you know
You only live once
ninety six baby
