oooooooooooo  
oooooooooooooooo

join us, leave your field to flower  
join us, leave your cheese to sour  
join us, come and waste an hour or two  
doodley-do

journey, journey to a spot ex-  
citing, mystic, and exotic  
journey through our anecdotic revue

{refrain}  
We've got magic to do just for you  
we've got miracle plays to play  
we've got parts to perform, hearts to warm  
kings and things to take by storm  
as we go a long, long way

intrigue, plots to bring disaster  
humor, handled by a master  
romance, sex presented pastorally  
deedley-dee

illusion, fantasy to study  
battles, barbarous and bloody  
join us, sit where everybody can see

{refrain}X2

We've got magic to do(magic to do X6)  
we've got foibles and fables to portray  
as we go along our way
