From the moment you opened my eyes
I have seen the world in a different light
From the dawn to the setting sun
I am overwhelmed
By all that you have done

Chorus:
Adore, adore, adore
Jesus I adore you,
Yes I adore,
Adore, adore, adore
Jesus, I adore you
And I lay my life before you, o lord

Theres a union of two becoming one
Deep inside my heart
I know that I belong
You have given everything to me
The least that I can do
Is give it back to you

Bridge:
And all I am and ever will be
Is for you, lord
And everything within me cries

Chorus:
Adore, adore, adore
Jesus, I adore you,
Yes I adore you
And I lay my life before you
Adore, adore, adore, adore, adore
Jesus, I adore you

And I lay my life before you
I long to love and adore you
I lay my life before you, o lord
I adore you
