"Glory"

I see the glory, theres glory all around in the world.
And glory has been found; it surrounds me,
And opens my mind and heart.

Looking for a meaning, wondering around with no
direction.
Id rush to take that next big step, to make it that much
more ahead.
I went for the horizon and I found the glory of your love.

I see the glory, theres glory all around in the world.
And glory has been found; it surrounds me,
And opens my mind and heart.

Weve been through stormy weather, now I know your
loves with me forever.
Youre here to take that step with me, youre by my side
eternally. (eternally)
I went for the horizon and I found the glory of your love.
oh,

I see the glory, theres glory all around in the world.
And glory has been found; it surrounds me,
And opens my mind and heart. (oh)

Doo doo doo doo doo. bah dee ah dee ah doo doo doo
doo.
Bah dee ah dee ah doo doo doo doo. doo doo doo doo
doo doo doo. (doo doo)

I went for the horizon and I found the glory of your love.
I see the glory, theres glory all around in the world.
And glory has been found; it surrounds me,
And opens my mind and heart. (glory)

I see the glory, (theres glory all around)
Theres glory all around.
(and glory has been found...) oh, its moving me, its
touching me.
(and opens my mind and heart.) opens my mind and
heart.

Glory hallelujah. (I see the glory.)
Glory hallelujah. (I see the glory.)
(glory hallelujah.) it surrounds me.
Opens my mind and heart. oh yes it does, oh.
