As long as stars shine down from heaven
And the rivers run into the sea
Til the end of time forever
Youre the only love Ill need

In my life youre all that matters
In my eyes the only truth I see
When my hopes and dreams have shattered
Youre the one thats there for me

When I found you I was blessed
And I will never leave you, I need you

Chorus:
Imagine me without you
Id be lost and so confused
I wouldnt last a day, Id be afraid
Without you there to see me through

Imagine me without you
Lord, you know its just impossible
Because of you, its all brand new
My life is now worthwhile
I cant imagine me without you

When you caught me I was falling
Youre love lifted me back on my feet
It was like you heard me calling
And you rush to set me free

When I found you I was blessed
And I will never leave you, I need you

Chorus

When I found you I was blessed
And I will never leave you, I need you oh

Chorus

I cant imagine me without you
