We met these sisters Barlow's their last name  
Ordinary girls they don't live in the fast lane  
They don't rate with the guys that score  
Cause they don't flaunt what the boys want more

They don't date they won't date  
They wanna see how they're gonna grow up  
Who they're gonna be  
But in the meantime they might feel unloved  
When all the girls around them are hooking up  
But I know for sure it's never popular to be pure  
And while some guys might be passing them by  
I think they've caught someone's eye

[chorus]

All the boys in the band want a valentine from a Barlow  
Girl  
Boys think they're the bomb  
Cause they remind them of their mom [Repeat]

Everyone needs to be loved  
Everyone needs their own teenage fan club  
Any attention can feel like a good thing  
Dress to impress can be oh so tempting  
You can get noticed with your body  
Sexual hypnosis by being hottie  
You might feel like public property  
You might you might you shouldn't be

No girl should feel she has to trade  
Her body for love or be an old maid  
And yes there are guys who are willing to wait  
Ask a Barlow girl on her wedding day

[chorus]

All the boys in the band want a valentine from a Barlow  
Girl  
Boys think they're the bomb  
Cause they remind them of their mom [Repeat]  
KJ52 with Superchick  
Excuse me Barlow girl, but there's somethin on my  
mind

See I was just wonderin, can I get a valentine?  
Saw you walkin by  
And somethin caught my eye  
There's somethin bout these  
Three girls I can't deny  
Say alright  
I think you're fresh for the reason that you're holdin on  
For your wedding night  
All right, all right  
But what I'm saying any girl can be a Barlowgirl  
Am I wrong?  
Don't think so  
Spare me the drama  
You remind me of my mooma
