Could someone help me comprehend  
How I'm wanting to have friends is now this monster  
that I feed  
It's popularity I need  
When people think that I'm the deal  
It helps me feel like I am real  
but I think I lost the me looking for the star machine  
I don't want any part of it. everything is...  
[CHORUS]  
Here today, gone tomorrow  
Big star machine  
Ricky Martin or Menudo  
Big star machine  
VH1 where are they follows  
Big star machine  
How could I have been so shallow  
Big big star machine Big big star machine Big big star  
machine

Could someone help me comprehend  
How I came to judge my friends  
On a scale of trendiness  
And somehow I love them less  
Not as hip as they could be  
Through the eyes of star machine  
It's a dumb philosophy  
To judge my popularity  
I don't want any part of it. everything is...  
[CHORUS]  
Here today, gone tomorrow  
Big star machine  
Ricky Martin or Menudo  
Big star machine  
VH1 where are they follows  
Big star machine  
How could I have been so shallow  
Big big star machine. Big big star machine. Big big star  
machine.  
everything is...

[CHORUS]  
Here today, gone tomorrow

Big star machine  
Ricky Martin or Menudo  
Big star machine  
VH1 where are they follows  
Big star machine  
How could I have been so shallow  
Big big star machine. Big big star machine. Big big star  
machine.  
Big big star machine. Big big star machine.
