We let it roll, we let it ride
We don't take it home
So we can sleep at night
We let it go, we let it slide
We don't take it home
So we can live our lives

We let it roll, we let it ride
We don't take it home
So we can sleep at night
We let it go, we let it slide
We don't take it home
So we can live our lives

Oh Mr. Worry, I hate how you lie to me
Always showing me the fears that might come to be
I can lose today in tomorrow's anxiety
Selling me the lie
It was safe where we used to be
Honestly, I look back and see the truth
My whole life in the hands of God my proof
I hold to this truth I know
So the fear, I can let it go

So shh shh
Mr. Worry quiet down
'Cause shh shh
You can never bring us down

We let it roll, we let it ride
We don't take it home
So we can sleep at night
We let it go, we let it slide
We don't take it home
So we can live our lives
[repeat]

Quick Mr. Anger, you know how to get to me
Always cut me off in the lane

That's in front of me
Now you're in my head all day

And you're running me
Now I'm at home yelling at my whole family
But when tomorrow comes I will see the truth
What I hold inside hurts only me, not you
So for the ones I love and know

Mr. Anger, I let you go
So shh shh
Mr. Anger quiet down
'Cause shh shh
You can never bring us down

We let it roll, we let it ride
We don't take it home
So we can sleep at night
We let it go, we let it slide
We don't take it home
So we can live our lives
[repeat]

Worry never never
Added a day to my life ever
It just robs me of today and brings me down
So come what may whatever
The truth has set me free forever
And the burdens of my life, I lay them down

We let it roll, we let it ride
We don't take it home
So we can sleep at night
We let it go, we let it slide
We don't take it home
So we can live our lives
[repeat]
