You're building a case against me
Prosecutor, judge, and jury
We had this conversation in your head
'Cause I wasn't there, you made up what I said-
Or what I would of said; you know me so well
You heard how I am and how I'm going to heaven
knows
We've never had this conversation, or should I be
calling it a condemnation?
'Cause you're not listening to me

(Chorus)

So na, na, na, na, na
That's all I'm gonna say
'Cause na, na, na, na, na
Made up your mind any way
Na, na, na, na, na
There's nothing I can do
So na, na, na, na, na
Couldn't we be friends if not for you

I feel like a teacher from Charlie Brown
All you hear is that
