She never slows down.
She doesn't know why but she knows that when she's
all alone, feels like its all coming down
She won't turn around
The shadows are long and she fears if she cries that
first tear, the tears will not stop raining down

[CHORUS]

So stand in the rain
Stand your ground
Stand up when it's all crashing down
You stand through the pain
You won't drown
And one day, whats lost can be found
You stand in the rain

She won't make a sound
Alone in this fight with herself and the fears whispering
if she stands she'll fall down
She wants to be found
The only way out is through everything she's running
from wants to give up and lie down.

[CHORUS]

So stand in the rain
Stand your ground
Stand up when it's all crashing down
You stand through the pain
You won't drown
And one day, whats lost can be found
You stand in the rain

So stand in the rain
Stand your ground
Stand up when it's all crashing down
Stand through the pain
You won't drown
And one day, whats lost can be found

[CHORUS]

So stand in the rain
Stand your ground

Stand up when it's all crashing down
You stand through the pain
You won't drown
And one day, what's lost can be found
You stand in the rain
