Dear diary

I saw this guy at the show

He was singing to me

At least I think so

All the world around me stopped when he said Hi

what's up baby

(sigh)

He's the perfect guy

His hair, his eyes, oh, I love his smile

When he opened the door

Knew he was worthwhile

He looked so good standing right next to me

So beautiful I know our children will be

This time I know it's true love

He is the one that I've been waiting for

I promise to love him forevermore

I've waited my whole life for the day I am his

I just know he's the

Wonder what his name is

Dear diary

Today I found a new guy

With a movie star face and the perfect lines

Knight in shining armor

Hero to rescue me

He'll be so romantic just like in the movies

He'll play the roll of a boyfriend for me

like in "Here on earth" with Leelee Sobieski

There is just one problem

something i might have mist

he's a movie star, he doesn't know I exist

This time I know it's true love

He is the one that I've been waiting for

I promise to love him Forevermore

I've waited my whole life for the day I am his

I just know he's the

Wonder what his name is

Dear diary

I thought my dreams had come true

Last week I found the one to give my heart to  
Told all my friends about him, even tried his last name  
Didn't see that to him it was all just a game  
He seemed so nice, I've known him for a whole week  
But my friends didn't like him, didn't know him like me  
No more crushes or rushes learn to be satisfied  
With being single again - wait who's that guy  
You are cute!

He is the one that I've been waiting for  
I promise to love him Forevermore  
I've waited my whole life for the day I am his  
I just know he's the  
Wonder what his name is  
Wonder what his name is  
Wonder what his name is

He is the one that I've been waiting for  
I promise to love him Forevermore  
I've waited my whole life for the day I am his  
I just know he's the  
Wonder what his name is  
Wonder what his name is  
Wonder what his name is
