\* = "In the bedroom all day and all of the night"

One and one were having some fun \*  
Two and Two, I took off my shoes \*  
Three and Three, she undressed me \*  
Four and Four, we fucked on the floor \*  
Five and Five, I put up her thighs \*  
Six and Six, the bitch sucked my dick \*  
Seven and Seven, we went to heaven \*  
Eight and Eight, she masturbated \*  
Nine and Nine, she licked my ass \*  
Ten and Ten, the bitch did it again \*

Get off my ass bitch!

GET YOUR FACE OUT MY ASS MOTHERFUCKER!!

["Haaa"]  
["But it hurts so good"]  
["Haaa"]

Get laid, get FUCKED!

["Haaa"]  
["But it hurts so good"]  
(repeated 'till the end of the track)
