Blowfly:

"Go-o-o-o-o-o-o-o-od-DAMN!! Shee-yee-YIT!! Look at the ass on that bitch! Look at the titties!"

(Mixx scratches "Aw hit me!" and "Hold your legs up on easy.")

Verse 1

[FKI] There's only one place where we can go  
To see freaky hoes doin' shows  
Doin' tricks to make us holler  
On a giving night, all for a dollar  
Silicone breasts, all on their chests  
Nothin' like others, but above the rest  
They'll do anything to turn us on  
Them hoes got it goin' on!!  
[BM] I like big booty and big ol' titties  
Bitch, you know you've been fucked by many  
So come and be my private dancer  
I got some money if that's the answer  
I really wanna be with you;  
I get hard after seeing you  
How hard? Hard like a rock,  
When you make that pussy pop!

Chorus(2x): Luke

Pop that pussy! Heyyy! Pop that pussy, baby!  
Pop that pussy! Pop, pop that pussy, baby!

Verse 2

[FKI] Freaky bitches with plenty of ass  
Rollin' to the music and shakin' real fast  
Bend over backwards, make me shout  
And work that pussy, in and out  
Movin' their body with plenty of action  
Bringin' to the men more satisfaction  
Doin' what they feel to turn us out

Just work that pussy all the way out!  
[BM] Shake it! Don't break it!  
It took your momma nine months to make it  
Bend over and spread 'em, girl  
Show-w-w me those pussy pearls  
Rub that ass and play with that clit  
You know I like that freaky shit  
Girl, you know you look so cute  
Throwin' that pussy the way you do!

Chorus

Verse 3

[FKI] Poppin' that pussy's a dance for the ladies  
Straight from the South, into the 90's  
Freaky bitches are the ones I like  
In G-strings in the middle of the night  
Smoke-filled stages, bitches in cages  
Guards at the door, armed with gauges  
As they dance and I get hot,  
Keep throwin' that pussy! Don't stop!  
[BM] I like the way you lick the champagne glass  
It makes me wanna stick my dick in your ass  
So come on, baby, and pop it quick  
I fall in love when you suck my dick  
Bitch, you don't know? You ain't heard?  
Fuckin' with me, you're gonna get served  
See, none of my bitches, they never complain  
So come on, baby, and pop that thang!

Chorus

Luke:

Janet J, pop, that pus-sy!  
Bu-bles, pop, that pus-sy!  
Sandra P, pop, that pus-sy!  
Ma-donna, pop that stinky smelly pussy, baby!

(Mixx scratches "Work this motherfucker!" "Shit, this good!" "Woo hoo!")

Chorus

Luke:

BREAKDOWN!!
