[Fresh Kid Ice]

Listen up y'all 'cause this is it

Forget that old dance and (throw that d)

(*Mr. Mixx cuts up*)

(Let's dance)

[Fresh Kid Ice]

There's a brand new dance and it's comin' yo way

It was started in Miami by the Ghetto Deejays

Say some call it nasty but that's not true

It's just the only dance that you can do

'cause you need a sexy body, make your partner come
alive

If you can't do that, don't even try

So get yourself together and learn it quick

Just get on the floor and (throw that d)

(*editing of*)

(Let's dance)

(Throw that d)

[Fresh Kid Ice]

When I went to Miami couldn't believe my eyes

This female was throwin, wanted me to try

If you don't know how to do it here's what you must do

Just listen up close, I'll explain to you

Just jump... in the air

And when you land you wind like you just don't care

It's all in the hips, so go berserk

And let that *dick* do the work

So while it's workin you better start strokin

To show your partner that you ain't jokin

'cause this ain't a dance from Mother Goose

Better freak yo body and turn it loose

'cause when you're on the floor you don't give a *shit*

All you wanna do is (throw that d)

(Throw that d) etc.

(*Mr. Mixx cuts up samples from Planet Rock*)
