Cocoa, you do me well
But there's things that you can't give
Cocoa, I have to go
I've got these things that I must live
I must live.

I'm gonna change this world
Man, I got a million ideas
I'm gonna change this fear
Make it totally disappear.

Soon as I'm not tired
Then I'll start my attack
Let me show you where I'm at
On the back of this cigarette pack
On the back of this cigarette pack.

All my plans
On the back of a cigarette pack
All my plans
On the back of a cigarette pack.

Cocoa, you do me well
But there's things that you can't give
Cocoa, I have to go
I've got these things that I must live
I must live.

I wanna taste that paint
Feel it swirling in my mouth
I wanna drink that sound
Drink so deep that I could drown.

Soon as I'm not tired
Then I'll start my attack
Let me show you where I'm at
On the back of this cigarette pack
On the back of this cigarette pack.

All my plans
On the back of a cigarette pack

All my plans
On the back of a cigarette pack
All my plans
On the back of a cigarette pack.

All I really am is this fire.
