Nobody realised
We just danced, danced, danced to the midnight
trance
I said "Hey stinky, what's the smell?
You stick around and you kiss and tell"
I say "Hey swimmers, watch for sharks
They come and get you coz you glow in the dark"
I said "No chance to catch our breath
This game of chance goes to sudden death" they say

Nofio, nofio, nofio, nofio, nofio, nofio, nofio
Swimming, swimming, swimming, swimming,
swimming, swimming, swimming
Nofio, nofio, nofio, nofio, nofio, nofio
Swimming, swimming, swimming, swimming,
swimming, swimming

Nobody realised
We just danced, danced, danced to the midnight
trance
I said "Hey stinky, what's the smell?
You stick around and you kiss and tell"
I say "Hey swimmers, watch for sharks
They come and get you coz you glow in the dark"

I said: "Why do you do what you do?"

"Why do you do what you do?"
(Dafydd glows in the dark)
