Sha la la

Sweat of the losers
And music for lovers
For under the covers
The melody's fine
In and out of the window
In easy succession
My coloured obsession
Of frequency
You see

My humble objection
To Peter's projection
To be with deception
To brighter demand
And my conscious is clear
You've got to have been
Remember the name
I am in sight
Alright

Sha la la la la

La la la la la la La la la la la La la la la la (Colourblind) La (Colourblind) (X2)

Go colourblind
Leave behind all the (melody)?
If we go colourblind
Leave behind all the (melody)?
If you go colourblind
Leave behind ???????
If we go colourblind
